ENVOY HELPING REDS IS TRAITOR, HE SAYS

pr. Egan Hopes Magazine's Charges Against Norman Hapgood Are Not True.

MINISTER COMING HOME

Representative to Deumark to Report on Conditions in Bolshevik Russia.

matic representative of this o might aid the Bolsheviks and who might use his post as an Amerour representative for the furtherance wing' radicalism is both an suems to Lemmark and a traitor to the great majority of the American people who by the Constitution, are our gov-

Dr. Maurice Francis Egan, Minister to Denmark from 1997 to 1918, when the most cowardly that have ever come ed because of ill health, thus to these shores. to explain "his own activities as a penipotentiary of Lenine and Trotzky."

Dr. Egan said he could not helfer.

They also were compatible to the country again. plempotentiary of Lenine and Trotzky."

Dr. Egan said he could not believe to go any state of the possible that Mr. Hapgood or any sould act so unethically or so disloyally to his own country as was charged by Harney's Weekly. A month ago he result from Mr. Hapgood a letter say.

request of Fresdam which in what was one of the most sensitive and important diplomatic posts in Europe," said Dr. Egan, "I did everything I could to be of aid to Mr. Hapgood. From friends in Copenhagen I learned that he had been well received by the Danish court and people. I advised him panish court and people. I advised him against acceptance of the President's ap-pointment for two important reasons. The first was that he was unprepared by experience and training for the diplomatiq duties and responsibilities upocate time in our history. The second was because of his often expressed mental attitude—which was no secret—that he was taking the post in order to make careful study of Boishevism, believing that Lenine and Trotzky were grossly misrepresented in this country and that wanted to correct the prevailing

on can serve two countries. ran is appointed to act as Minister to Denmark, representing the United States of America in that country, there s enough work to do right in Denmark keep him busy. He neglects his duty his fellow citizens back home and nation to which he is accredited he expends any energies upon the nancial assistance and political advance

The situation when Mr. Hapgood force.

Officers of the Buford received orders Officers of the reis were to be con-

the Russian; one might say they are between the devil and the deep sea. The Danish Government and people look to america as their hig brother; their

ours.

Pointing out that under our system
of government diplomats owe their allegishic to the ruling amjority of the
country. Dr. Egas said that this mafority is and niways has been deter-binedly conservative in the finest sense of the word. He added:

"Belshevist preachments and prac-tices have been shown absolutely the opposite of this ideal. America's sa-tional and international standing are menaced by the after the war debris, by the decaying endavers of shattered autorracles and by the spawn of the vermin who have followed the dehade of Russia and Prussia. We must have of thissia and Prinsia. We must have representing Americans. Disloyally in our international personnel is just as deadly a menace as disloyally in the heast of our While not pussing judgment upon Mr. Hopgood, as I know nothing of the Mr. Hopgood, as I know nothing of the sea and for Mr. Hapgood namel. the charges made in Horsey's Weekly are not true."

300 REDS AWAITING

Continued from First Page

simself yesterday after read- Much of the time yesterday was spent ing the assertion of Harcry's Weekly by employees of the Department of imthat the present Minister, Norman Hap- migration in photographing the various good, before skilling for Europe tried to Reds and taking their finger prints and get a group of American bunkers to Bertillon measurements in order that fnance the Boisheviki, and that he is their records may be sent to immigraceturning to this country under recall tion bureaus at every port with orders

Harrey's Weckly. A month ago he received from Mr. Hapgood a letter saying that the latter was returning to the united States to make a report on certain investigations in Ruseia made at the instance of Col. E. M. House and Charles R. Crane.

Urged Hapgood Not to Accept.

"When I resigned, despite the urgent request of President Wilson to remain in what was one of the most sensitive cital thands. A dentist who has been working on Emma Goldman's teeth was simmoned hastly to be lained to finish the job. as it was believed that he would not get another chance to do so. Friends of the anarchist leader made her a particular and the suppose of a large seal coat and other taxuries of apparel unbecoming one who professes to be of the projectariat and to despite costly raiment.

Reds Take \$100,000 With Them. Many of the Reds, it was stated, are supplied with cash mounting into the thousands. One of those who arrived from Ohio had \$5,000 in his pockets. and it was estimated that the entire group had upward of \$100,000 in good American made currency, whereas at the time of their arrival here hardly a one had much more than a penny to his

While Uncle Sam was placing these reds in position to boot them out of the land that they had reviled two more no-torious disturbers were being arraigned before Supreme Court Justice Bartow S with criminal anarchy. They Charles S. Ruthenburg and lease Ferguson, both national officers of the Communist party, who were cantured in Chicago early this month by Detective Sergeants James J. Gegan and Cornelius Browne of the police bomb squad. Both reds had fought desperately against ex-

tradition to this State and did not arrive here until Friday night.

On motion of Alexander I. Rorke, Assistant District Attorney, they were held in \$15,000 bail each for trial, with James Larkin and Benjamin Gitlow, two other communist leaders. The offence charged against them is that they par-ticipated in the drawing up of the manifesto of the Left Wing Socialists which

in terror of Russian radicalism; they fined to their compartments excepting at man peace, conservative democracy and meal times and that all members of the regarded government. They are fright-esed alike of the German menace and to prevent a possible outbreak.
